The importance the topic and the aim behind it is to defend the religion of Allah and monotheism beside explaining the differences between Sunnah and 12 Imams Sheit Muslims which are differences in the fundamental Islamic beliefs and monotheism in particular adopted by Sunnah Muslims with its three branches , the theological monotheism , Godly monotheism , God's qualities and traits monotheism and the viewpoint of the 12 Imams Sheit Muslims towards these three branches . As for the Godly monotheism as they claim the matter of knowledge of the invisible World , their Godly appearance and their mastering of the universal phenomena and even the matters of this world and the world after are referred to the Imam .

Their viewpoint of the theological monotheism appears in the worshipping of the heart , the sayings worshipping and the physical ones. As for the thirs type thatis the qualities Gods , the research in hand studies the Sheit's viewpoint the names and qualities of God .

## **The main results of the research :**

- It is absolutely impossible to shorten the gap between the Sheit and Sunnah Muslims .
- The 12 Imams Sheits beliefs are with no legal or logical evidences . However all the sayings and deeds of the 12 Imams Sheits are contradicted with the disillusioned Sheit's beliefs
- It is mandatory for all Muslim clergies and researchers to withstand the claims of the 12 Imams Sheits , interviewing them with all the possible means and the spread of the Sunnah sect by any means .
