

Summary

Thank God for the blessings of the countless, including Ianaamh on the completion of this research, cost and I to submit a brief summary of the most important results reached it, I say:

I When paalip Mkan him and feminine masculine Flag : linguists so may cared by Aalalme interest expressing Oooktrmen , and see This science, . will enable us to understand the texts

second a divided bic Ara language in Name sex : two : two masculine and feminine a a scheduled in Languages Commissioner other and did not know exit on This Qaeda steady in a by languages but Navel Commissioner .

Third What are born to :is 'divided feminine as a means to the real : breed, even by eggs and hatchery, a bird - and to non-real, "ie: the metaphor", which was the feminine does not generate and breed, such as: land, sun ... And to the moral "which was the word free from significant with the feminization ... About: Zainab, and the sun, and the land ...

Fourth : feminine for fifteen mark, eight in the names, and four in the acts , and three in the tools, and most signs of feminization in Contacts: A-na feminine .

V: feminine and far There are some Soralamzkr logic for mental each dimension not consistent with .

VI and for 'Branch him Almzkrosal and feminine : Hmaaltoesel predominantly Almzkraly feminine, in Halpijtmallma, such as : obedience, Gabrin

VII Mansmih but not moral Almwnt that n a : Palmwnt figuratively , no Bmwnt that fact , aware femininity installed biological, but consideration

spokesman language Vont including something said something and not in learned Why Ont This , said that? and workers and Ambrrlzk .

eight that is 'by we by point most : Bmwnthat not moral Almwnthat might 'real wanted spokesman that differentiate between such this Almwnthat metaphors and other by Almwnthat fact , no damage this Mark feminization of Tags interval .

IX to remind the Arabs Tjtri feminine i :f you do not sign it and the feminization of the masculine term substitute, such as saying palm pigments on the meaning of assisted pigments .

X compositions in impact of the feminine : grammatical, , including impact a name reference , and K speech promises 'conscience and prevent Name from exchange , and discrimination number and impact also matching between act and effective . and nd the newsa adjective matching and the case .

The last prayer is praise to the Lord Worlds, and peace and blessings be upon His Messenger and his family and his companions
