## **Abstract**

### **Investigating the effect of isotopes in Holy Koran structures in Al-Kashaf for Al-Zmkhcri**

**Issa Hassan Abu Srou**

**Mu'tah University, 2013**

This study aimed at investigating the effect of isotopes in Holy Koran structures in Al-Kashaf book for Al-Zmkhcri

The phenomenon of apparent linguistic counterpart salient to speak Arabic, and is based on a system of limited provisions, and falls below what is not confined to the linguistic manifestations of panic in his speech to the Arab; systems for speech and its context, and that violates the linguistic situation.

The researcher tried to determine the image of this phenomenon in the Arabic language in the book 'Alkashaf' for Zmkhcri, as the wire for this purpose means multi-represented in the treatment of this phenomenon on the level of grammar, and under these processors ' the researcher could explain many of the aspects of language Kalmtabqh in number between the act The actor, action actor name without Tnuinh which is an indefinite article, and the separation between the additive and the genitive, traction Palmgeorh, that rotate letters which were limited to a researcher studying at grammar; due to what was described in the book "Al-Kashaf" of isotopes, but who pays to urge this phenomenon again is that the studies conducted around came a few did not provide an explanation, and this does not necessarily mean that I toe the efforts of scientists Arab - old and new - there is no doubt that their efforts have been useful in lighting the way, I was able to stand through which the image of this phenomenon in the Arabic language.

Finally, we can say that the ills of grammatical isotopes that recline by grammarians in the early enactment of the social market grammatical rules. The researcher was taken from the descriptive analytical method traces the way in each issue of the peer issues that stop them Zamakhshari in the Scouts, according to the doors grammatical known, with the presentation of the views of grammarians around thermoplastic Sibawayh to modernists, and try to shoot out or Altdaev as much as possible.
