In the name of Allah most compassionate most Merciful

Praise be to Allah alone, and prayer and peace on the prophet Mohammad the Last of the prophets....

This is a summary of the master's thesis (**new issues in funerals**) to introduce the most important things:

the intention of thesis : Discuss new issues in the book of funerals ,and it's Known what the importance of this subject in the reality of Muslims and people in general.

Search was made in six main chapters:

first: New issues in visiting patients. I have discussed in this chapter the confirmation of visiting patients and its virtues, also I have showed the prevention cases for example If the illness is contagious or the the patient prohibited from visiting , and the Islamic rule in modern methods of visiting and so .

Second : New issues in the Body of the deceased ; I have Talked about issues related to the deceased body such as transfer of the Dead Dead and autopsy, donate organs, and dealing with the body in case of mixing or seizure, as well as what to do with twin conjoined (Siamese)

Third : new issues in Washing and shrouding, I have showed a new means of washing, and how treat with the dead body if refrigerated, or infectious. Also I have showed some irregularities such as take picture and write prayers and verses on the coffins.

Fourth: the new issues of the funeral prayers, showed the Islamic rule of the call to the funeral prayers, and some irregularities in this, and the rule of delaying the prayer for the dead, or travel for that, with clearing up the Islamic rule on the allocation of some mosques for funerals, and the consequent sometimes prayer for the funeral more than once in More than one place, and preaching, then the rule of prayer for the dead of weapons of mass destruction.

Fifth: the new things of the graves, I have spoke in this chapter about the Islamic rule of means of maintaining cemeteries and decorating them such as fencing , cultivating and putting them on floors.the rule of burial at night with lights, and where to bury the dead, and his position during the burial.the rule of the use of non-soil and non-stone in the burial, and also i have showed the rule of distribution Water bottle in the cemeteries and preaching.

Sixth: the new things of the obituary and condolences, i have showed in this chapter the Islamic rule of the use of modern media in the obituary and condolences to the deceased

and discharged, or eulogy in the forums and establish ceremony of mourning, and stay to receive the mourners.

Finally, I concluded the research with the most important findings and recommendations, and then followed by the conventional indexes.

I ask God to make this research a useful knowledge, which does not cut off its reward from me.

May Allah bless our Prophet Muhammad and his family and companions and his wives and followers, and followed them in truth until the Day of Judgment.

Researcher;
