Message summary

Title (Conversations that Male Bazaar where a difference in his MusnadCollecting and issuing and studyMusnad Ibn Abbas, may Allah be pleased with interview (5179) to the end of the palm Abdullah bin Umar

), part atheist, XII, a letter of introduction for the Master's degree from the researcher (emotions Nassar Ali Rashidi), under the supervision of Sheikh Professor Dr: Abdullah bin Abdulaziz branch.

The book is a scientific project adopted by year and sciences department at the University of Qassim, a distributor of a number of scholars and researchers had my share of this book of the palm Ibn Abbas to talk Number: (5179) to the end datum Abdullah ibn Umar b.

The number of conversations that have been studied in this book by numbering your Balbagesh and counting has reached (53) recently.

The words of introduction, and reboot, and two, then Conclusion and indexes.

Among the most important findings of this research:

-The emergence of the versatility of Imam al-Bazzar in the criticism of the conversations, the correct distinction of sick.

-Modern science Palmruyat capacity, and foresight, originality and criticism.

-Aware of the importance of ills, and the necessity of care applicants modern imams words in it.

-Datum Bazzar not limited to only mention ills, but spoke in some narrators wound and an amendment.

-Took care of verbally Almtion- Allah have mercy on him, and Xiaodadtha, and distinguished between the increase in the Metn and the shortcut.

The most important recommendations: I would recommend studying the conversations of individuals in wacky datum Bazzar year adopted as a scientific department and sciences.

And Praise be to Allah, Lord of the Worlds, and peace and blessings of God, the prophet Mohammed, and to

His family and companions.
