And the Angel took me with his right hand and set me on the right wing of the pigeon and he himself sat on the left wing of the turtle dove.... (p. 696 – ch – 16).

And I will explain to you what will be; and every thing that will be in the last days. Look now at every thing in the picture... (said the Angel) (p. 701 – ch. 24) – I saw there the likeness of the idol of jealousy; like a carpenter's figure such as my father used to make. And its body was of glittering copper; and before it a man; and he was worshipping it. And (there was) an altar opposite it and boys being slaughtered on it in the face of the Idol. And I said to him: "What is this idol, or what is the altar, or who are those being scarificed, or who is the sacrificer, or what is the handsome temple which I see the art and beauty of your glory that lies beneath your throne?...

[God said Abraham] because the people who will come to me out of you will make me angry. (chapter 25).. And I looked and saw... a crowd of heathens ran out and they captured the men, women, and children... and some they slaughtered and others they kept with

them... and They burned the temple with fire; and they plundered the holy thing that were in it. And I said; "Eternal one; the people you received from me are being robbed by the hordes of the heathen. They are Killing some and holding others as aliens... and He said to me; "listen; Abraham; all that you have seen will happen On account of your seed who will (continually) provoke me because of the body which you saw and the murder in that was depicted in the temple of jealousy (chapter 27).. and one hour of the age will also be one hundred years... (ch. 28)... And I said: Eternal mighty one!

How long a time is an hour of the age? And he said. "I decreed to keep twelve periods of the impious age among the heathens and among your seed and what you have seen will be until the end of the time...

And I looked and saw man going out from the left; the heathen side. From the side of the heathen went out men and woman and children a great crowd; and they worshipped him... and I said' Eternal Mighty one! Who is this man insulted and beaten be the heathen. And He answered and said "Hear Abraham; the man whom you saw insulted and beaten and again worshipped is the liberation from the heathen for the people who will be (born) from you. In the last days, in this twelfth hour of impiety, in the twelfth period of the age of my fulfillment, I will set up this man from your tribe. ... many of the heathen will trust in him. And those of your seed... some insulting him, some beating him, and others worshipping him, many of them shall be offended because of him, It is he who will test those of

your seed who have worshipped him in the fulfillment of the twelfth hour. (chapter 29) ["the Old Testament pseudepigrapha" (charles) p. 681.

"then Moses spoke to Joshua this word:..., but (you) take this writing so that later you will remember how to preserve the books which I shall entrust to you... (chapter 1: 10, 16)... they will offer their some to foreign gods and they will set up idols in the temple... (chapter 2: 8)... In those days a king against them from the east and (his) cavalry will overrun their land. And

- -

will fire he will burn their city with the holy temple of the lord and he will carry off all the holy vessels. And he will exile all the people and will lead them to his own land, yea the two tribes he will take with him.

(chapter 31 – 1 – 3)... then God will remember them because of the covenant which he made with their fathers... And in those time he will inspire a king to have pity on them and send them home to their own land.... But the ten tribes will grow and spread out among the nations during the time of their captivity. (chapter: 5 – 9) And when the times of exposure come near and punishment arises through kings who (though) sharing their crimes yet punish them.. consequently the word was fulfilled that they will avoid justice and approach iniquity (chapter 5: 1 – 3).. and a powerful king of the west shall come, who shall conquer them, and he shall take them captives, and a part of their temple he will burn with fire. He will crucify some of the around their calony. (chapter 6: 8, 9)... And there shall come upon them a second visitation and wrath.. He will stir up against them the king of the kings of the east.. (ch. 8: 1, 2)... behold a second punishment has befallen the people.. exceeding the former one. (ch. 9: 2) then his kingdom will appear throughout his while creation. Then the evil will have an end.. (ch. 10: 1).. for from my death and burial until his coming there will

pass 250 times (c c 1 times) [i. e. 250 year weeks, or 1750 years] (ch. 10: 11 – pages 422, 423)⁽¹⁾.
